

Fast & Easy Access to Frankfurt Exchange available to Canadian Businesses

For Immediate Release

(Toronto) The Venture Catalysts has developed a fast, affordable and simplified access to the Frankfurt Stock Exchange for North American companies.

“Accessing capital has become exceedingly difficult in North America,” said Jim Adams, Managing Partner of The Venture Catalysts. “Our clients challenged us to do it better and we found a solution.”

The Frankfurt Exchange provides a simplified entry program for companies, even if they aren’t listed on other exchanges.

The Venture Catalysts has developed the necessary protocols and standardized listing programs to provide Canadian, US and overseas companies with fast and affordable listing services that often has companies trading within 3-5 weeks.

The Venture Catalysts provides business development services to Canadian entrepreneurs including strategic planning, investment relations’ services and franchise development programs. Formed in 2001, the company also publishing Canada’s Business Funding Directory, Micro Cap News and provides marketing support through Vibe Creative and TVC-Hosting.com
